## **Professional Bull Riding Returns to Clovis September 5**

### ***Clovis Fall Spectacular – Sunday, September 5***

**(Clovis, California):** Professional Bull Riding comes back to Clovis on Sunday, September 5 when the PBR Touring Pro-Division returns with some of the west's best bucking bulls in the line-up. The event will be held at 7:00 p.m. at the Clovis Rodeo grounds.

Fans will be treated to some of the best bucking bulls in the west by the PBR Touring Pro-Division, American Bucking Bull, Inc. and Flying C Livestock. The event will include a futurity competition where young bulls are bucked with mechanical riders on their backs to see if they have what it takes to compete in the sport.

Award winning bucking bulls *Bring It*, *Pretty Boy Blue* and *Domino Theory*, along with some of the best local stock contractor Sis and Stan's Bucking Bulls has to offer, are scheduled to take a turn in the arena.

In bull riding a qualified ride is eight (8) seconds. Judges rate both the rider and the bull on a scale of 0-50. The numbers are combined to reach a final ride score between 0-100. While a rider must stay on for the full eight seconds to receive a score, a bull always receives a score. His score is based on his degree of difficulty. Judges look for drop in the front end; kick in the back, spin and direction changes.

Tickets are \$12 in advance for general admission and \$15 at the gate. Box seats are available for \$25. Visit [www.clovisfallspectacular.com](http://www.clovisfallspectacular.com) or call 888-695-0888 to get your tickets today. The Clovis Rodeo Grounds are located in the heart of downtown Clovis at 748 Rodeo Drive and parking is free of charge.

A portion of the net proceeds from the Clovis Fall Spectacular will benefit the Make-A-Wish Foundation of Central California.
